

## Values, Purposes and Goals

Extensive community consultation has led to values, purposes and goals that provide a firm foundation for providing Tasmanian students with a quality education. How schools enact these is guided by dialogue between the school and its community. They will be seen in the school's curriculum programs, philosophy, classrooms and relationships.

### Values

Values guide decisions about the curriculum. They support students, teachers, parents, carers and the community.

The values common to all areas of the Tasmanian Curriculum are:

-  connectedness - developing a sense of community through friendship, care, compassion,
-  cooperation, acceptance, belonging and sharing
-  resilience - developing self-confidence and self-respect, optimism, perseverance and wellbeing
-  achievement - attaining success, pursuing excellence and being proud of personal achievement
-  creativity - valuing original ideas and demonstrating enterprise and innovation.
-  integrity - acting honestly, ethically, and consistently
-  responsibility - accepting individual and collective responsibility and contributing to sustainable community development
-  equity - developing tolerance, respecting difference and encouraging distinctiveness.

### Purposes

The shared purposes are that all Tasmanian students are learning to:

-  learn
-  live full, healthy lives
-  relate, participate and care
-  act ethically
-  create purposeful futures
-  think, know and understand.

### Goals

The shared goals for Tasmanian students are that they:

-  are able to reason, question, make decisions and solve complex problems
-  are able to create, communicate and convey ideas clearly and confidently
-  have a positive vision for themselves and their future
-  are well prepared to participate actively in our democratic community and as global citizens
-  can understand science and technology and make thoughtful decisions about their application.
